certainly is a wonderful
climate - corresponding
to the part of May in
Okla., so you see it is
grand. You Feb. The
sunshine here is just
perfectly wonderful, never
have known anything
like it at home. There
are some boys in an
Company from southern
Calif. and they say that
this is an exact duplicate
of the weather there
at this season. It
will probably be beginning
to warm up there by
the time you receive
this. The people here

My dear Sis & Ernie
Rec'd. a letter from you
yesterday, written on Dec.
7th, also two from mother
written before we left
the States. I can't
remember whether I
have written you since
we arrived here or not,
but in case I haven't,
we have moved from
our first French camp
to where we are at
present. Our company
is in charge of the
Hosp. here. This
