I am almost certain that I will receive another raise finally, to sgt. 1<sup>st</sup> class. I am not over optimistic about it tho, for there is always that uncertainty about it that one finds every where in the army. My pay was increased  $7.50$  per month as sgt. and if I ever get the other it will mean another  $10.00$  raise. I now get  $29.80$  for myself besides the  $15.00$  that mother gets and  $6.00$  each month for insurance. That isn't half bad is it? My duties now are, sgt. in charge of pharmacy, under the head of which comes the
